

BRANDON ARROYO'S FILM *ESTRELLA* IS A WINNER!

SWFF is the 8th or 9th film festival that *ESTRELLA* was accepted into and I'm proud to say that it has already won awards from Indie Fest and Peekskill Film Festival.

About a month ago, I was in LA for a huge festival for the Latinx community, hosted by NALIP and partnered with HBO. My film screened with about 12 other films selected around the United States. I was able to represent the Latinx filmmaking community of our Film Program and spoke highly about our continuing growth and love of film!

Here's a video from the event - <https://www.youtube.com/watch?v=zI-m--VbLc8>

It was a great time, I was able to meet industry executives and speak at a directing panel as a guest filmmaker!
