I plan to enroll in 6 credits or more for Summer 2018 and wish to use Loans or NYS TAP funds. If you are taking less than 6 credits you do not need to complete this form, and our office will automatically award you federal Pell grant funding if you qualify based on your 2018-2019 FAFSA

The 2018-2019 FAFSA and any supporting documentation must be received by APRIL 13, 2018. You can complete your FAFSA application online at www.fafsa.ed.gov. Purchase College's school code is 006791.

Financial aid is only available to matriculated students for degree applicable coursework. Students must already be matriculated effective for Summer 2018 to qualify.

Your summer bill is your responsibility- if all documents are not submitted in a timely manner you will need to either pay your summer costs out-of-pocket or be dropped from your coursework.

Federal funding will not be disbursed until mid-July. Accelerated NYS TAP funds will not be disbursed until Fall 2019. Please plan ahead for any out of pocket expenses such as deposits, books, supplies, airfare/transportation.

Students must be meeting the minimum [Satisfactory Academic Progress \(SAP\) Standards](#). Our office will calculate SAP after Spring 2018 grades are available. Failure to meet SAP requirements will result in disqualification for federal financial aid.

In most cases, using financial aid during the Summer 2018 term is like taking an advance on financial aid for the rest of the year, possibly taking away from the Spring 2019 semester.

Loan funding- Student's borrowing loans must submit all necessary documentation prior to their last day of attendance for their summer sessions.

Class Enrollment for Summer- If the number of credits that you are taking changes, you must let the Office of Student Financial Services know immediately via email at: sfs@purchase.edu. Failure to maintain the number of credits your financial aid was based on can result in reduced awards or ineligibility for financial aid.

FEDERAL PELL GRANT: New federal regulations regarding Year-Round Pell require our office to process the Pell grant if you are enrolled for Summer 2018 in degree applicable coursework.

- Pell used in summer counts towards your [600% lifetime eligibility](#) (equal to 6 years full time study during fall/spring) for this grant. If you are close to the 600% lifetime eligibility you may run out of Pell prior to completing your degree.
- You will not qualify for Pell in Spring 2019 if you are full time in Summer 2018, full time in Fall 2018 and plan to take less than 6 credits in Spring 2019.

Taking at least 6 credits?

Check off below if you want to apply for Loans or NYS TAP Grant:

STAFFORD LOAN FUNDING (Subsidized/ Unsubsidized)

- **How much would you like to borrow?**
Using loan funding for summer reduces your loan eligibility for Fall 2018 and Spring 2019.

NYS TAP GRANT (Tuition Assistance Program)

- Students must be enrolled for at least 6 credits, have been full-time in the prior term and have earned at least 24 credits in the 2017-2018 academic year per TAP Accelerated Study regulations.
- You must apply for the TAP grant online at www.tap.hesc.ny.gov. Purchase College is listed as SUC at Purchase and the school code is 0970.
- General admission students are eligible for 8 semesters of TAP and EOP students are eligible for 10 semesters of TAP.
- If you will be using summer TAP, you must resubmit the TAP application with a code for summer. Under "Manage my Account- Change TAP College Code", you must request TAP for Summer 2018 in order to receive a TAP payment for Summer 2018. Please be aware that New York State may delay your Summer TAP payment to Purchase College.
- Please be aware that for the last several years, students who have a TAP Grant for the summer, fall, and spring of an award year have their summer TAP disbursement delayed until October of the following year. As a result, students with a Summer 2018 TAP Grant (and a Fall 2018 and Spring 2019 TAP Grant) will not have their Summer 2018 TAP disbursed until October 2019. Please plan accordingly, as this could affect any potential refund(s) that you may receive.
