- The 2019-2020 FAFSA and any supporting documentation must be received by APRIL 10, 2019.** You can complete your FAFSA application online at www.fafsa.ed.gov. Purchase College's school code is 006791.
- Financial aid is only available to matriculated students for degree applicable coursework.**
- Your summer bill is your responsibility-** if all documents are not submitted in a timely manner you will need to either pay your summer costs out-of-pocket or be dropped from your coursework.
- Funding will not be disbursed until mid-July.** Please plan ahead for any out of pocket expenses such as books, supplies, or transportation.
- Students must be meeting the minimum Satisfactory Academic Progress (SAP) Standards.** Our office will calculate SAP after Spring 2019 grades are available. Failure to meet SAP requirements will result in disqualification for federal financial aid.
- In most cases, using financial aid during the Summer 2019 term is like taking an advance on financial aid for the rest of the year, possibly taking away from the Spring 2020 semester.**
- Loan funding-** Student's borrowing loans must submit all necessary documentation prior to their last day of attendance for their summer sessions.
- Class Enrollment for Summer-** If the number of credits that you are taking changes, you must let the Office of Student Financial Services know immediately via email at: sfs@purchase.edu. Failure to maintain the number of credits your financial aid was based on can result in reduced awards or ineligibility for financial aid.

FEDERAL PELL GRANT: Due to federal regulations, regarding Year-Round Pell, if you are enrolled for Summer 2019 in courses that work towards your degree we are required to process the Pell grant. While this does use some of your lifetime eligibility for this grant, it will only negatively impact you only if you are full time in Summer 2019, full time in Fall 2019 and plan to take less than 6 credits in Spring 2020.

Taking at least 6 credits?

Check off below if you want to apply for Loans or NYS TAP Grant:

STAFFORD LOAN FUNDING (Subsidized/ Unsubsidized)

- Using Loan funding for the Summer 2019 semester will reduce the loan funding available to you for the upcoming academic year (Fall 2019 & Spring 2020 semesters).

NYS TAP GRANT (Tuition Assistance Program)

- Students must be enrolled for at least 6 credits, have been full-time in the prior term and have earned at least 24 credits in the 2018-2019 academic year, per TAP Accelerated Study regulations.
- You must apply for the TAP grant online at www.tap.hesc.ny.gov. Purchase College is listed as SUC at Purchase and the school code is 0970.
- General admission students are eligible for 8 semesters of TAP and EOP students are eligible for 10 semesters of TAP.
- If you will be using summer TAP, you must resubmit the TAP application with a code for summer. Under "Manage my Account- Change TAP College Code", you must request TAP for Summer 2019 in order to receive a TAP payment for Summer 2019. Please be aware that New York State will delay your Summer TAP payment to Purchase College.
- Please be aware that for the last several years, students who have a TAP Grant for the summer, fall, and spring of an award year have their summer TAP disbursement delayed until October of the following year. As a result, students with a Summer 2019 TAP Grant (and a Fall 2019 and Spring 2020 TAP Grant) **will not have their Summer 2019 TAP disbursed until October 2020.** Please plan accordingly, as this will affect any potential refund(s) that you may receive.
