A request that an entire Bid be kept confidential is not advisable, because a Bid cannot reasonably consist exclusively of proprietary information.

8. Diversity Contracting Requirements

Under NYS Executive Law Article 15-A, 5 NYCRR Part 141.1(o) diversity practices are the efforts of Licensees to include New York State certified MWBEs in their business practices. SUNY will assess the diversity practices of prospective bidders to encourage Licensees to engage in meaningful, capacity-building collaborations with MWBEs through evaluation of the Diversity Practices Questionnaire in Attachment 6. All prospective bidders are required to complete the attached Diversity Practices Questionnaire. This questionnaire elicits information about each prospective bidder in order to verify that its work environment demonstrates a strong commitment to diversity. By responding to the IFB and completing this questionnaire, each prospective bidder acknowledges that:

Edward Herran, Interim Director of Procurement and Accounts Payable, Purchase College, 735 Anderson Hill Road, Purchase, NY 10577, a written remedy in response to the notice of deficiency. Failure to file the waiver form in a timely manner may be grounds for disqualification of the Bid.

SUNY may disqualify a Bidder as being non-responsive under the following circumstances:

- a. If a Bidder fails to submit a MWBE Utilization Plan;
- b. b) If a Bidder fails to submit a written remedy to a notice of deficiency;
- c. c) If a Bidder fails to submit a request for waiver; or
- d. d) If SUNY determines that the Bidder has failed to document good faith efforts.

Licensees shall attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the License. Requests for a partial or total waiver of established goal requirements made subsequent to License Award may be made at any time during the term of the License to SUNY, but must be made no later than prior to the submission of a request for final payment on the License.

The Human Rights Law may also require reasonable accommodation for persons with disabilities and pregnancy-related conditions. A reasonable accommodation is an adjustment to a job or work environment that enables a person with a disability to perform the essential functions of a job in a reasonable manner. The Human Rights Law may also require reasonable accommodation in employment on the basis of Sabbath observance or religious practices.

Generally, the Human Rights Law applies to: (i) all employers of four or more people, employment agencies, labor organizations and apprenticeship training programs in all instances of discrimination or harassment; (ii) employers with fewer than four employees in all cases involving sexual harassment; and (iii) any employer of domestic workers in cases involving sexual harassment or harassment based on gender, race, religion or national origin.

In accordance with Executive Order No. 177, prior to License award, successful bidder must submit a certification that it does not have institutional policies or practices that fail to address harassment and discrimination as described above. SUNY is electing to obtain the certification with the bid documents to avoid unnecessary delay in the License award process. All bidders must sign and submit the certification attached to this IFB as Attachment 8.

F. Service-Disabled Veteran-Owned Businesses (SDVOB)

SUNY is committed to the State's policy of encouraging the development of service-disabled veteran-owned businesses (SDVOB). The Service-Disabled Veteran-Owned Business Act (the "Act") became effective on May 12, 2014, and SUNY has implemented the State's comprehensive plan and operational guidelines to promote SDVOBs and to assist them in obtaining opportunities to participate in the procurement of goods and services by the State. SUNY will employ applicable measures and procedures provided by the Director of the Division of Service-Disabled Veterans' Business Development in the Office of General Services (the "Division"), to ensure that SDVOBs are afforded the opportunity for meaningful participation in the performance of SUNY's Licenses and to assist in achieving the Act's statewide goal for participation on state Licenses by SDVOBs. The awarded License shall provide that any licensee who willfully and intentionally fails to comply with the SDVOB participation requirements shall be liable to SUNY for damages, calculated based on costs for administration of SUNY's SDVOB program.

For additional information please refer to the SDVOB requirements outlined in SDVOB Prospective Bidder's Notice (Forms 7564-121A, 7564-121B and 7564-121C). A SDVOB Utilization Plan must be submitted with all bids, utilizing Form 7564-107. All Forms are available at: http://www.suny.edu/sunypp/documents.cfm?doc_id=816.

Bidders are encouraged to apply to the Division for certification as a Service-Disabled Veteran-Owned Business, and to provide such documentation necessary to establish their status as such in accordance with the rules of the Director of the Division. For purposes of this solicitation, SUNY hereby establishes an overall goal of 6% for SDVOB participation.

9. Encouraging Use of New York State Businesses in Contract Performance

New York State businesses have a substantial presence in SUNY contracts and strongly contribute to the economies of New York and the nation. In recognition of their economic activity and leadership in doing business in New York State, Bidders/Proposers/Licensees for this License for commodities, services or technology are strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the License. Such partnering may be as Sub Licensees, suppliers, protégés or other supporting roles.

10. Office of Federal Contract Compliance Programs

This Licensee and Sub Licensee shall abide by the requirements of 41 C.F.R. §§ 60-1.4(a), 41 CFR §§ 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals on the basis of protected veteran status or disability, and require affirmative action by

covered prime Licensees and Sub Licensees to employ and advance in employment qualified protected veterans and individuals with disabilities.

11. State Finance Law § 139-l Certification

Pursuant to N.Y. State Finance Law § 139-l, every bid made on or after January 1, 2019 to the State or any public department or agency thereof, where competitive bidding is required by statute, rule or regulation, for work or services performed or to be performed or goods sold or to be sold, and where otherwise required by such public department or agency, shall contain a certification that the Bidder has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of N.Y. State Labor Law § 201-g.

N.Y. State Labor Law § 201-g provides requirements for such policy and training and directs the Department of Labor, in consultation with the Division of Human Rights, to create and publish a model sexual harassment prevention guidance document, sexual harassment prevention policy and sexual harassment prevention training program that employers may utilize to meet the requirements of N.Y. State Labor Law § 201-g. The model sexual harassment prevention policy, model sexual harassment training materials, and further guidance for employers, can be found online at the following URL: <https://www.ny.gov/combating-sexual-harassment-workplace/employers> .

Pursuant to N.Y. State Finance Law § 139-l, any bid by a corporate bidder containing the certification required above shall be deemed to have been authorized by the board of directors of such Bidder, and such authorization shall be deemed to include the signing and submission of such bid and the inclusion therein of such statement as the act and deed of the Bidder.

The required certification is annexed as Attachment 7. Please complete it. If the Bidder cannot make the required certification, such Bidder shall so state and shall furnish with the bid a signed statement that sets forth in detail the reasons that the Bidder cannot make the certification. After review and consideration of such statement, SUNY may reject the bid or decide that there are sufficient reasons to accept the bid without such certification.

13. Determination of Vendor Responsibility

New York State procurement law requires that state agencies award Licenses only to responsible licensees. Additionally, the New York State Comptroller must be satisfied that a proposed licensee is responsible before approving a License award under Section 112 of the State Finance Law. Section 163 of the New York State Finance Law (“SFL”) requires that Licenses for services and commodities be awarded on the basis of lowest price or best value “to a responsive and responsible bidder.” Section 163 (9)(f) of the SFL requires that prior to making a License award, each contracting agency shall make a determination of responsibility of the proposed licensee.

In accordance with these procurement laws, SUNY will conduct an affirmative review of vendor responsibility for all organizations or firms with which it conducts business. In doing so, bidders are required to file the required Vendor Responsibility Questionnaire online via the New York State VendRep System or may choose to complete and submit a paper questionnaire. To enroll in and use the VendRep System, see the VendRep System Instructions on the Office of State Comptroller (OSC) website, available at: www.osc.state.ny.us/vendrep or go directly to the VendRep System online at <https://portal.osc.state.ny.us>. For VendRep System user assistance, the OSC Help Desk may be reached at 866-370-4672 or 518-408-4672 or by email at helpdesk@osc.state.ny.us. Bidders opting to file a paper questionnaire may obtain the appropriate questionnaire from the VendRep website www.osc.state.ny.us/vendrep or may contact SUNY System Administration for a copy of the paper form.

In addition:

- a. *General Responsibility.* The Licensee shall at all times during the License awarded term remain responsible. The Licensee agrees, if requested by the SUNY Chancellor or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.
- b. *Suspension of Work for Non-Responsibility.* The SUNY Chancellor, in his or her sole discretion, reserves the right to suspend any or all activities under the License awarded, at any time, when he or she discovers information that calls into question the responsibility of the Licensee. In the event of such suspension, the Licensee will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Licensee must comply with the terms of the suspension order. License activity may resume at such time as the SUNY Chancellor or his or her designee issues a written notice authorizing a resumption of performance of the License awarded.
- c. *Termination for Non-Responsibility.* Upon written notice to the Licensee and a reasonable opportunity to be heard with appropriate SUNY officials or staff, the License awarded may be terminated by the SUNY Chancellor or his or her designee at the Licensee’s expense, where the Licensee is determined by the SUNY Chancellor or his or her designee to be non-responsible. In such event, the SUNY Chancellor or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

14. Requirements of New York State’s Recycling Program

In accordance with the provisions of Section 165(3) of the State Finance Law and Executive Order No. 142, SUNY is required to purchase recycled products, if available, made with recycled content in accordance with rules and regulations established by the State Department of Environmental

If the cost of a recycled product does not exceed by 10% the cost of a product made without recycled content (or by 15% if over 50% of the recycled materials are generated from the New York State waste stream), the recycled product must be purchased.

15. Compliance with New York State Tax Law

Bidders must submit a completed, signed and notarized ST-220-CA form with their bid.

All insurance policies shall provide that the required coverage shall apply on a primary and not on an excess or contributing basis as to any other insurance that may be available to SUNY for any claim arising from the successful bidder’s work under the awarded License, or as a result of the successful bidder’s activities. Any other insurance maintained by SUNY shall be excess of and shall not contribute with the successful bidder’s insurance, regardless of any “other insurance” clause contained in any SUNY policy of insurance.

The limits may be provided through a combination of umbrella/excess liability policies.

19. Procurement Lobbying Act – State Finance Law §§ 139-j and 139-k

Prior to approval of the License for which this IFB has been issued by SUNY, or if applicable, the Office of the State Comptroller, a Bidder shall not communicate with SUNY other than with the persons identified in this IFB as Designated Contacts or with a person who the Designated Contacts has advised

the Bidder in writing is also a Designated Contact. Generally, the New York State Finance Law restricts communications between a bidder or a person acting on behalf of a Bidder, including its lobbyist, to communications with the officers and employees of the procuring agency designated in each solicitation to receive such communications. Further, the law prohibits a communication (a "Contact") which a reasonable person would infer as an attempt to unduly influence the award, denial or amendment of a License. These restrictions apply to each License in excess of \$15,000 during the "restricted period" (the time commencing with the earliest written notice of the proposed procurement and ending with the later of approval of the final License by the agency, or, if applicable, the State Comptroller). The agency must record all Contacts, and, generally, must deny an award of License to a vendor involved in a knowing and willful Contact.

SUNY has developed guidelines regarding Contacts and procedures for the reporting and investigation of Contacts. SUNY's procurement record must demonstrate compliance with these requirements. SUNY will make a record of all Contacts, and such records of Contact will become part of the procurement record for this IFB. A determination that a Bidder or a person acting on behalf of a Bidder has intentionally made a Contact or provided inaccurate or incomplete information as to its past compliance with State Finance Law §§139-j and 139-k, is likely to result in denial of the award of License under this IFB. Additional sanctions may apply. A complete copy of SUNY's Procurement Lobbying Policy and Procedure and its accompanying forms is available for review at http://www.suny.edu/sunypp/documents.cfm?doc_id=430

Each Bidder shall submit with its Bid a written affirmation of its understanding of SUNY's procurement lobbying procedures and agreement to comply with such procedures. The requisite form is provided at Attachment 4.

20. Restrictions on the Activities of Current and Former State Officers and Employees

All Bidders must be aware of and comply with the requirements of the New York State Public Officers Law, all other appropriate provisions of New York State Law and all resultant codes, rules and regulations from State laws establishing the standards for business and professional activities of State employees and governing the conduct of employees of firms, associations and corporations in business with the State.

Bidders and their employees are cautioned that the hiring of former state employees may violate the Ethics Law. The governing provisions are set forth the New York State Public Officers Law §§ 73 and 74, and the underlying principle of law is to prevent conflicts of interest and encourage ethical behavior. The law may be found on the website of the New York State Joint Commission on Public Ethics at: http://www.jcope.ny.gov/about/laws_regulations.html. Failure to comply with these provisions may result in non-award of an agreement.

Attachment 4: Procurement Lobbying Act Certification

State Finance Law §§139-j and 139-k, enacted by Ch. 1 L. 2005, as amended by Ch. 596 L. 2005, effective January 1, 2006, regulate lobbying on government procurement, including procurements by State University to obtain commodities and services and to undertake real estate transactions.

Generally, the law restricts communications between a potential vendor or a person acting on behalf of the vendor, including its lobbyist, to communications with the officers and employees of the procuring agency designated in each solicitation to receive such communications. Further, the law prohibits a communication (a "Contact") which a reasonable person would infer as an attempt to unduly influence the award, denial or amendment of a License. These restrictions apply to each License in excess of \$15,000 during the "restricted period" (the time commencing with the earliest written notice of the proposed procurement and ending with the later of approval of the final License by the agency, or, if applicable, the State Comptroller). The agency must record all Contacts, and, generally, must deny an award of License to a vendor involved in a knowing and willful Contact. Each agency must develop guidelines and procedures regarding Contacts and procedures for the reporting and investigation of Contacts. The agency's procurement record must demonstrate compliance with these new requirements.

Accordingly, neither a potential vendor nor a person acting on behalf of the vendor should contact any individual at State University other than the person designated in this solicitation as State University's Designated Contact, nor attempt to unduly influence award of the License. State University will make a record of all Contacts, and such records of Contact will become part of the procurement record for this solicitation. A determination that a vendor or a person acting on behalf of the vendor has made intentionally a Contact or provided inaccurate or incomplete information as to its past compliance with State Finance Law §§139-j and 139-k is likely to result in denial of the award of License under this solicitation. Additional sanctions may apply.

Please complete the following:

1. As defined in State Finance Law §§ 139-j (1)(a), has a governmental agency made a determination of non-responsibility with respect to the Offeror within the previous four years where such a finding was due to a violation of State Finance Law §§ 139-j or the intentional provision of false or incomplete information with respect to previous determinations of non-responsibility? NO ☐ YES ☐ If yes, attach explanation
2. Has a governmental entity terminated or withheld a procurement License with the Offeror because of violations of State Finance Law §§ 139-j or the intentional provision of false or incomplete information with respect to previous determinations of non-responsibility? NO ☐ YES ☐ If yes, attach explanation.

Bidder understands that SUNY reserves the right to terminate any resulting License in the event it is found that the certification filed by the Bidder in accordance with State Finance Law §§139-j and 139-k was intentionally false or intentionally incomplete. Upon such finding, SUNY may exercise its termination right by providing written notification to the Bidder in accordance with the written notification terms of the License.

In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

26. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS. To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the Contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or SUNY

discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if SUNY determines that such action is in the best interests of the State.

Neither party shall have the right or authority to enter into binding contracts on behalf of the other.
- 14. Liability and Indemnification:** Neither Licensee, SUNY, nor the State of New York shall be deemed in default of this Contract, nor shall it hold the other Party responsible for, any cessation, interruption or delay in the performance of its obligations (excluding payment obligations) due to earthquake, flood, fire, storm, natural disaster, act of God, an act of war whether declared or undeclared, acts or threats of terrorism, contamination by radioactivity, pressure waves from devices travelling at supersonic speeds or damage caused by any aircraft or similar device, armed conflict, labor strike, lockout, boycott, electrical, internet or telecommunications outage that is not caused by the obligated party; or government restrictions, or other force majeure or other unforeseeable circumstances beyond the control of the Parties against which it would have been unreasonable for the affected party to take precautions and which the affected party cannot avoid even by using its best efforts, provided that the Party relying upon this provision: (i) gives prompt written notice thereof to the other Party; and (ii) takes all steps reasonably necessary to mitigate the effects of the force majeure event. If a force majeure event extends for a period in excess of more than 90 days, either party may terminate all or any agreed upon portion of the Contract immediately upon written notice. This Section does not excuse either party's obligation to take reasonable steps to follow its normal disaster recovery procedures,

or SUNY's obligation to pay for Services provided by Licensee which have been approved by SUNY.

- a. Licensee shall be fully liable for any act or omission of Licensee and its Staff and shall fully indemnify, defend, and hold harmless SUNY and the State, their officials, agents, and employees, without limitation, from suits, actions, damages, and costs of every name and description (including reasonable attorney's fees and expenses) arising from any act or omission of Licensee or its Staff, including bodily or personal injury (including wrongful death); damage to real or tangible personal property (including electronic systems, software and databases); damage to intellectual property; and infringement or violation of a third party's patent, copyright, license, or other proprietary or intellectual property right; provided however that Licensee shall not be obligated to indemnify SUNY for that portion of any claim, loss, or damage arising hereunder due to the negligent act or failure to act of SUNY. For third party claims, SUNY shall give Licensee:
 - i. Prompt written notice of any action, claim, suit, proceeding, or threat of such action for which Licensee is liable relating to this Contract;
 - ii. The opportunity to take over, settle, or defend any such action, claim, suit, or proceeding at the Licensee's sole expense; and
 - iii. Reasonable assistance in the defense of any such action, claim, suit, or proceeding at the expense of the Licensee.

Notwithstanding the foregoing, the State of New York reserves the right to join such action, claim, suit or proceeding at its sole expense, if it determines there is an issue involving a significant public interest.

- b. For all other claims, liabilities, and expenses arising under or related to this Contract where liability is not otherwise set forth in this Contract as being without limitation, and regardless of the basis on which the claim is made, the Licensee shall be liable for any act or omission of Licensee and its Staff, in an amount not to exceed, in aggregate, the greater of the dollar amount of this Contract, or two times the charges paid to the Licensee. The Licensee shall not be responsible for loss of records or data unless the Licensee is required to back-up the records or data.
- c. Notwithstanding the above, neither party shall be liable for any consequential, indirect, or special damages of any kind that may result directly or indirectly from such performance, including, without limitation, damages resulting from loss of use or loss of profit by SUNY, the Licensee, or by others.
- d. SUNY may, in addition to other legal remedies available to it, retain from amounts otherwise due Licensee such monies as may be necessary to satisfy any claim for damages SUNY may have against the Licensee.

- 15. Office of Federal Contract Compliance Programs:** The Licensee and Sub Licensee shall abide by the requirements of 41 C.F.R. §§ 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals on the basis of protected veteran status or disability, and require affirmative action by covered prime licensees and Sub Licensees to employ and advance in employment qualified protected veterans and individuals with disabilities.
- 16. OSHA:** If applicable, the Licensee shall provide all necessary safeguards for safety and protection as set forth by the United States Department of Labor, Occupational Safety and Health Administration.
- 17. Piggybacking:** Other New York State organizations may piggyback on the resultant contract with prior written approvals provided by the Licensee, SUNY, and, if applicable, NYS Office of General Services (OGS) and, if applicable, NYS Office of the Attorney General (OAG) and NYS Office of the State Comptroller (OSC).
- 18. Public Announcements:** Public announcements or news releases regarding this Contract must not be made by the Licensee without the prior written approval of SUNY.
- 19. Restrictions on the Activities of Current and Former State Officers and Employees:** All Licensee employees must be aware of and comply with the requirements of the New York State Public Officers Law, all other appropriate provisions of New York State Law and all resultant codes, rules and regulations from State laws establishing the standards for business and professional activities of State employees and governing the conduct of employees of firms, associations and corporations in business with the State. The Licensee and their employees are cautioned that the hiring of former state employees may violate the Ethics Law. The governing provisions are set forth in the New York State Public Officers Law §§ 73 and 74, and the underlying principle of law is to prevent conflicts of interest and encourage ethical behavior. The law may be found on the following website: http://www.jcope.ny.gov/about/laws_regulations.html. Failure to comply with those provisions may result in termination of the Contract and/or other civil or criminal proceedings as required by law.

- 20. Rights in Deliverables:** The Licensee hereby assigns to SUNY ownership of all materials created by the Licensee specifically for SUNY hereunder and required to be delivered to SUNY by virtue of their description or specification as a deliverable in the Statement of Work, upon SUNY's payment in full of applicable invoices. Deliverables exclude the Licensee's proprietary tools, methodologies, and any enhancements made to such tools and methodologies, which shall remain the sole property of the Licensee, and exclude any third party components whether or not included or embedded therein. Deliverables shall be deemed to be "works made for hire" under federal copyright laws. Notwithstanding anything to the contrary, the Licensee retains all rights to its knowledge, experience and know-how (including processes, ideas, concepts and techniques) acquired in the course of performing the Services.
- 21. Sexual Harassment Policy.** If the Licensee is a New York State employer, by signing this Agreement it certifies that it has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees, in accord with the requirements of § 201-g of the New York State Labor Law.
- 22. Severability and Enforceability:** If any provision of this Agreement is held to be illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining portions of the Agreement, unless it prevents accomplishment of the objectives and purposes of the Agreement, which determination shall be submitted as a dispute herein. In the event of any holding that the illegality or invalidity prevents accomplishment of the objectives and purposes of the Agreement, the Parties will immediately commence negotiations to remedy such illegality or invalidity.
- 23. Sub Licensees, Partners, Joint Venturers and other Third Party Participants ("Sub Licensee").** Prior to commencing services, the Licensee shall submit a statement to SUNY describing the portion of the work and materials which Sub Licensees are to perform and must furnish any other information to document that such Sub Licensees have the necessary facilities, skill, integrity, past experience and financial resources to perform the work in accordance with the terms and provisions of the contract. If SUNY finds that the Sub Licensees are qualified, it will so notify the Licensee within ten (10) business days following receipt of Licensee's written statement described above. If SUNY determines that a Sub Licensee is not qualified, it will so notify the Licensee. The Licensee must, within ten (10) business days thereafter, submit a written statement as described above with respect to other

proposed Sub Licensees, unless the Licensee decides to do such work itself and in SUNY's opinion is qualified to do such work.

- a. SUNY's approval of a Sub Licensee shall not relieve the Licensee of any of its responsibilities, duties and liabilities under the contract. The Licensee shall be solely responsible to SUNY for the acts, omissions or defaults of such Sub Licensees and of such Sub Licensees' officers, agents and employees, each of whom shall, for this purpose, be deemed to be the agent or employee of the Licensee to the extent of its subcontract. No provisions of the awarded contract shall create or be construed as creating any contractual relation between SUNY and any Sub Licensee or with any person, firm or corporation employed by, contracted with or whose services are utilized by the Licensee.
- b. The Licensee shall be fully responsible for the administration, integration, coordination, direction and supervision of all of its Sub Licensees and of all work. Licensee shall check requirements of the work and coordinate and adjust as required so that conflicts in time, work space, equipment and supplies do not occur in the work being performed by the Licensee with its own employees and the work being performed by its Sub Licensees.
- c. No Sub Licensee shall be permitted to work until it has furnished satisfactory evidence to SUNY of the insurance required by law.
- d. The Licensee shall execute a written agreement with each of its Sub Licensees and shall require all Sub Licensees to execute with their sub-Sub Licensees a written agreement which shall bind each to the terms and provisions of the prime contract awarded, insofar as such terms and provisions are applicable to the work to be performed by such Sub Licensees. The Licensee shall require all Sub Licensees and sub-Sub Licensees to promptly, upon request, file with SUNY a copy of such agreements upon request, from which the price and terms of payment may be deleted.

24. SUNY Requirements for Licensee Responsibility:

- a. General Responsibility. The Licensee shall at all times during the contract awarded term remain responsible. The Licensee agrees, if requested by the SUNY Chancellor or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

- b. Suspension of Work for Non-Responsibility. The SUNY Chancellor, in his or her sole discretion, reserves the right to suspend any or all activities under the contract awarded, at any time, when he or she discovers information that calls into question the responsibility of the Licensee. In the event of such suspension, the Licensee will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Licensee must comply with the terms of the suspension order. The Contract activity may resume at such time as the SUNY Chancellor or his or her designee issues a written notice authorizing a resumption of performance of the contract awarded.
- c. Termination for Non-Responsibility. Upon written notice to the Licensee and a reasonable opportunity to be heard with appropriate SUNY officials or staff, the contract awarded may be terminated by the SUNY Chancellor or his or her designee at the Licensee's expense, where the Licensee is determined by the SUNY Chancellor or his or her designee to be non-responsible. In such event, the SUNY Chancellor or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

25. Termination: The contract awarded to the Successful Bidder may be terminated by SUNY for any of the following reasons:

- a. Convenience of SUNY: The Contract may be terminated at any time upon receipt of 30 days prior written notice given by SUNY for any reason or no reason.
- b. Event of default: The Contract may be terminated in the event of breach of any of its provisions by the Licensee, or if the Licensee's Services are deemed unsatisfactory in SUNY's sole discretion, due to Licensee's fault or negligence, or that of its officers, employees, Sub Licensees, agents, licensees, licensors, or affiliates. In such event, SUNY will send a written cure notice in accordance with the Notice provisions of the contract, and the Licensee shall have 30 days to correct the deficiencies noted. If the deficiencies are not corrected, SUNY may terminate this contract immediately upon written notice.
- c. Deficient Certifications: If the awarded contract has a value greater than \$15,000, SUNY shall have the right to terminate in the event the State Finance Law sections 139-j and 139-k certifications executed by the Licensee are found to be false or incomplete. If the contract has a value of greater than \$100,000 and Licensee's sales for the immediately preceding four quarters were greater than \$300,000, or if the contract has a value of \$125,000 or greater, the University shall have the right to terminate in the event the Licensee's Department of Taxation and Finance Licensee Certification form, ST 220-CA, statements are found to be false or incomplete.

- d. Lack of Funds: If for any reason the State of New York terminates or reduces its appropriations to SUNY, the awarded contract may be terminated or reduced at SUNY's discretion, provided that no such reduction or termination shall apply to allowable costs already incurred by the Licensee where funds are available to SUNY for payment of such costs. In any event, no liability shall be incurred by the State (including SUNY) beyond monies available for the purposes of the awarded contract.
- e. SUNY may terminate the awarded contract, upon written notice, in the event of any of the following: (i) The Licensee makes an assignment for the benefit of creditors; (ii) a petition in bankruptcy or any insolvency proceeding is filed by or against the Licensee and is not dismissed within 30 days from the date of filing; or (iii) all or substantially all of Licensee's property is levied upon or sold in any judicial proceeding.
- f. Upon expiration or termination of this Agreement, the Licensee shall provide SUNY with all necessary records, electronic and otherwise, in the Licensee's possession relating to the Services provided under this Agreement. At SUNY's request, the Licensee shall also make appropriate Staff available to SUNY during normal business hours to answer questions regarding such records and the Services which have been provided by the Licensee under this Agreement. The Licensee shall cooperate to the fullest extent with any successor licensee in order to accomplish a smooth and orderly transition, so that the Services are uninterrupted and are not adversely impacted.

26. Trademarks and Service Marks: The Licensee understands and agrees that SUNY trademarks, service marks and logos are registered trademarks or owned by SUNY (the "Licensed Marks"). To the extent required by this Agreement, SUNY hereby grants to the Licensee a license to use the Licensed Marks only in connection with its work for SUNY under this Agreement. Such license shall limited to the use identified herein and shall not be construed as permission by SUNY to use its name or the Licensed Marks for any other purpose. The Licensee agrees not to use, reproduce, copy, or create materials bearing the SUNY name, logos or Licensed Marks without prior written approval and review of such materials by SUNY.

Furthermore, the procuring entity must have begun the solicitation to purchase on or after January 1, 2005, and the resulting contract must have been awarded, amended, extended, renewed, or assigned *on or after April 26, 2006* (the effective date of the section 5-a amendments).
