SUNY Purchase received a number of questions at the pre-bid meeting. Each question posed (identified below with a "Q") by a vendor, and SUNY Purchase's response (identified below with an "A") is included here. The Q&As are not listed in any kind of order that is significant.

1. Q: What area the required MWBE goals for this project?  
A: For this project, there will be no required MWBE goals.
  2. Q: Is there a spec for the two benches to be installed?  
A: An updated specification for the required benches is attached to this Addendum.
  3. Q: Is there a location on campus for extra fill or does the contractor need to cart the extra fill off site?  
A: There is not a lot of anticipated extra fill to be left over on this project. Therefore, the campus has a pre-defined location off of Lincoln Avenue that extra fill from this project can be deposited. This needs to be coordinated with the campus representative.
  4. Q: Is there a list of contractors and vendors who have expressed interest in the project that can be shared?  
A: No.
