

UUP Waiver of Compensatory Time for Holiday Work

I am eligible for compensatory time off if I am required to work during my regular working hours on any day observed by the State as a holiday. I understand that I may waive my right to such compensatory time for Thanksgiving, Christmas and New Year's and instead choose to receive additional compensation of equivalent value for work on those holidays

I wish to change the way I am currently being paid for holiday work:

I am now receiving compensatory time off; I wish to receive additional compensation in lieu of compensatory time.

I previously selected holiday compensation in lieu of compensatory time off. I wish to revoke my previously selection and resume earning compensatory time off. I understand, with this change, I will no longer earn holiday compensation.

I understand that this is the way I will receive holiday compensation for the term of the 2016-2022 State/UUP Agreement if I am required to work on Thanksgiving, Christmas or New Year's unless I change my election during an open period. I understand that I will not be able to change this decision until at least April 1, 2022, and it will continue this way unless I do change it during an April 1 to May 14 open period in 2022 or later.
