PERFORMANCE NOTES

We had a solid second performance tonight! The house was full, but our audience was a bit quieter than last night. The show felt more fluid tonight, the company is settling into the groove of the show nicely.

INCIDENTS

None.

TECHNICAL NOTES

-The Judge gavel light is still reacting to the sound in the Saint Peter/Matthew video.

-Simon the Zealot's audio wasn't great tonight. He is still using his airpod's as a microphone after we instructed him not to.

COVID

None.

LATENESS

None.

UPCOMING

We have a two show day tomorrow. Performances at 1:00 and 7:30.
