GENERAL
<p>We started off with Nicole giving her Design Presentation. Andres is excited about all of the ideas brought to the table and trusts Nicole's lighting intuition. Nicole asked Andres if he had any questions in general and he asked out lights being able to reach and Nicole cleared up all his questions. Nicole wants to request that the choreography room doesn't have walls in order to use side light</p> <p>Andres gave us a link to the song he is dancing to: <a href="https://www.youtube.com/watch?v=cPJ56t_3xhc">https://www.youtube.com/watch?v=cPJ56t_3xhc</a></p> <p><b>Jack</b> - can we tape things to the wall of the theatre?</p>
