### GENERAL NOTES

Today we had our second invited dress. The performance began at 1:32pm and the talk back ended at 2:55. The entire performance including the talk back ran 84 minutes. The audience was filled with diversity today and it clearly made an impact for both audience and actors. The cast was able to talk about their experience with the show during the talk back and it was very powerful for everyone.

### SCENIC/PROP NOTES:

1) Is it possible for props to shred more paper? If not stage management can do so.
