

Express yourself.

Abstract expressionism was a form of art that focused on emotion. Artists would try to capture a feeling within an artwork. Adolph Gottlieb used symbols, lines, shapes and colors to convey emotions in his artwork below titled “Evil Omen”.

What emotions does his artwork make you feel?

Use the space to the left to create your own abstract expressionist artwork by using symbols, lines, shapes, and colors.

What emotion do you want to convey?

What colors, lines and shapes will you use?

How do your colors make you feel?
