

Draw your memory here.

Draw a memory.

Artists sometimes get their ideas for an artwork by thinking back to a memory. Romare Bearden used his memories and experiences to create artworks about his community.

Do you have a favorite memory? It could be of anything: a holiday, a fun birthday party, a concert at school, playing with one of your best friends, or even playing your favorite sport.

What are you doing in your memory? _____

Who is in your memory? _____

Where is the setting of your memory? _____

Why is this memory important to you? _____

What is the title of your memory drawing? _____
