New Locations and other changes (left to right):

- Degree progress wheel replaces the progressbar
- Run the audit with or without registered, but unfinished courses
- Collapsibility to reduce scrolling
- New location of What-If feature

The screenshot shows the 'Academic' audit interface. The 'What-If' tab is selected, indicated by a red arrow. A 'Degree progress' wheel shows 22% completion, with a red arrow pointing to it. To the right, there are checkboxes for 'In-progress classes' and 'Preregistered classes', both checked, with a red arrow pointing to the 'In-progress classes' checkbox. A 'Process' button is next to them, with a red arrow pointing to it. At the bottom right, there is a 'Collapse all' button, also with a red arrow pointing to it. The audit date is 4/2/2021 6:16 PM.

Cleaner look, less colors:

The screenshot shows a degree audit page for a Bachelor of Arts degree, which is marked as 'INCOMPLETE'. The page is clean and minimalist, with a white background and blue accents. It lists unmet conditions for the degree requirements, such as '120 Degree Applicable Credits (Includes In-Progress)', '45 Junior and/or Senior Level Credits (Includes In-Progress)', and 'A Minimum GPA of 2.0 is Required'. Below this, it lists 'Blocks included in this block', including 'Core Curriculum Requirements', 'Additional Degree Requirements', and 'Undeclared Major'. The 'Core Curriculum Requirements' section is also marked as 'INCOMPLETE' and lists requirements for 'Total of 30 Semester Hour', 'Basic Communication', 'Mathematics', 'Natural Sciences', 'Social Sciences', and 'The Arts'. Each requirement is accompanied by a 'Still needed:' status and a description of the requirement.
