FORM A
Summary: Policy and Procedure of the State University of New York
Relating to State Finance Law §§139-j and 139-k

State Finance Law §§139-j and 139-k, enacted by Ch. 1 L. 2005, as amended by Ch. 596 L. 2005, effective January 1, 2006, regulate lobbying on government procurement, including procurements by State University to obtain commodities and services and to undertake real estate transactions.

Generally, the law restricts communications between a potential vendor or a person acting on behalf of the vendor, including its lobbyist, to communications with the officers and employees of the procuring agency designated in each solicitation to receive such communications. Further, the law prohibits a communication (a “Contact”) which a reasonable person would infer as an attempt to unduly influence the award, denial or amendment of a contract. These restrictions apply to each contract in excess of \$15,000 during the “restricted period” (the time commencing with the earliest written notice of the proposed procurement and ending with the later of approval of the final contract by the agency, or, if applicable, the State Comptroller). The agency must record all Contacts, and, generally, must deny an award of contract to a vendor involved in a knowing and willful Contact. Each agency must develop guidelines and procedures regarding Contacts and procedures for the reporting and investigation of Contacts. The agency’s procurement record must demonstrate compliance with these new requirements.

Accordingly, neither a potential vendor nor a person acting on behalf of the vendor should contact any individual at State University other than the person designated in this solicitation as State University’s Designated Contact, nor attempt to unduly influence award of the contract. State University will make a record of all Contacts, and such records of Contact will become part of the procurement record for this solicitation. A determination that a vendor or a person acting on behalf of the vendor has made intentionally a Contact or provided inaccurate or incomplete information as to its past compliance with State Finance Law §§139-j and 139-k is likely to result in denial of the award of contract under this solicitation. Additional sanctions may apply.

**NEW YORK STATE
VENDOR RESPONSIBILITY QUESTIONNAIRE
FOR-PROFIT BUSINESS ENTITY**

You have selected the For-Profit Non-Construction questionnaire which may be printed and completed in this format or, for your convenience, may be completed online using the New York State VendRep System.

COMPLETION & CERTIFICATION

The person(s) completing the questionnaire must be knowledgeable about the vendor's business and operations. An owner or owner's official representative authorized to legally bind the Reporting Entity must certify the truth of the questionnaire answers.

NEW YORK STATE VENDOR IDENTIFICATION NUMBER (VENDOR ID)

The Vendor ID is a ten-digit identifier issued by New York State when the vendor is registered on the Statewide Vendor File. This number must now be included on the questionnaire. If the business entity has not obtained a Vendor ID, contact the IT Service Desk at ITServiceDesk@osc.state.ny.us or call 866-370-4672.

DEFINITIONS

All underlined terms are defined in the "New York State Vendor Responsibility Definitions List," found at <https://www.osc.state.ny.us/files/vendors/2017-11/vendor-questionnaire-definitions.pdf>. These terms may not have their ordinary, common or traditional meanings. Each vendor must read the respective definitions for any and all underlined terms. By submitting this questionnaire, the vendor agrees to be bound by the terms as defined in the "New York State Vendor Responsibility Definitions List" existing at the time of certification.

RESPONSES

Every question must be answered fully. Each response must provide all relevant information to appropriately explain the answer. If you have concerns as to the legal requirements behind your answers, please seek clarification from your counsel. However, information regarding a determination or finding made in error which was subsequently corrected or overturned, and/or was withdrawn by the issuing government entity is not required to be identified. Individuals and Sole Proprietors may use a Social Security Number but are encouraged to obtain and use a federal Employer Identification Number (EIN).

REPORTING ENTITY

Each vendor must indicate if the questionnaire is filed on behalf of the entire Legal Business Entity or an Organizational Unit within or operating under the authority of the Legal Business Entity and having the same EIN. Generally, the Organizational Unit option may be appropriate for a vendor that meets the definition of "Reporting Entity" but due to the size and complexity of the Legal Business Entity, is best able to provide the required information for the Organizational Unit, while providing more limited information for other parts of the Legal Business Entity and Associated Entities.

ASSOCIATED ENTITY

An Associated Entity is one that owns or controls the Reporting Entity, or any entity owned or controlled by the Reporting Entity. However, the term Associated Entity does **not** include "sibling organizations" (i.e., entities owned or controlled by a parent company that owns or controls the Reporting Entity), unless such sibling entity has a direct relationship with or impact on the Reporting Entity. Please refer to the Definitions List for the complete definition.

STRUCTURE OF THE QUESTIONNAIRE

The questionnaire is organized into eleven sections. Section I is to be completed for the Legal Business Entity. Section II requires the vendor to specify the Reporting Entity for the questionnaire. Section III refers to the individuals of the Reporting Entity, while Sections IV-VIII require information about the Reporting Entity. Section IX pertains to any Associated Entities, with one question about their Officials/Owners. Section X relates to disclosure under the Freedom of Information Law (FOIL). Section XI requires an authorized contact for the questionnaire information.

Certification Under Executive Order No. 16 Prohibiting State Agencies and Authorities from Contracting with Businesses Conducting Business in Russia

Executive Order No. 16 provides that “all Affected State Entities are directed to refrain from entering into any new contract or renewing any existing contract with an entity conducting business operations in Russia.” The complete text of Executive Order No. 16 can be found [here](#).

The Executive Order remains in effect while sanctions imposed by the federal government are in effect. Accordingly, vendors who may be excluded from award because of current business operations in Russia are nevertheless encouraged to respond to solicitations to preserve their contracting opportunities in case the sanctions are lifted during a solicitation or even after award in the case of some solicitations.

As defined in Executive Order No. 16, an “entity conducting business operations in Russia” means an institution or company, wherever located, conducting any commercial activity in Russia or transacting business with the Russian Government or with commercial entities headquartered in Russia or with their principal place of business in Russia in the form of contracting, sales, purchasing, investment, or any business partnership.

Insurance Forms

Evidence of insurance **MUST** be submitted on the ACORD Certificate of Liability Insurance Form (ACORD 25) and NYS required Workers' Compensation/NYS Disability Insurance forms. The certificates:

- **MUST** be signed by an authorized representative of the insurance carrier or producer authorized to write coverage in the State of New York
 - Excess Line, or non admitted carriers are NOT permitted *
- **MUST** disclose any deductible, self-insured retention or aggregate limit
- **MUST** indicate the Additional Insureds and Named Insureds on the form
 - An additional insured endorsement CG 20 10 11 85 or equivalent is provided
 - Additional Insureds must include the State of New York, State University of New York, and State University Construction Fund
- **MUST** make reference to the project, contract or agreement number on the form

SUNY will accept insurance forms by electronic submission to the campus representative identified as the designated contact within the IFB or RFQ.

- All attachments must be in adobe .pdf format
- ACORD Forms will only be accepted if the email is sent directly by the insurance company, agent or broker to the designated contact
- Insurance forms received via email by the Campus from, or forwarded by consultants and contractors will not be accepted
- Disability and Worker's Compensation forms may be emailed by consultants, contractors, agents or carriers to the designated contact
- The campus representative reviewing the certificate will take reasonable steps to verify that the email is from an authorized insurance company, agent or broker. For example, the domain (e.g. "@insurance broker.com") may be verified on the NYS DFS insurance licensing public website where the brokers email address and license number can be found.

SUNY's Insurance Checklist must be completed by the campus representative responsible for reviewing insurance certificates, and kept as part of the procurement record.

Required documentation includes:

1. ACORD 25 - Certificate of Liability Insurance Form
2. NYS-required Workers' Compensation/NYS Disability Insurance Forms
3. SUNY Insurance Checklist (see page 3 of this form)

The Council of Contracting Agencies is developing guidance to state agencies on the ACORD 855 NY - Construction Certificate of Liability Addendum form. Once guidance is available SUNY will provide information and training on how to use and review the ACORD 855 form, and it will be added as an insurance requirement for SUNY's construction contracts.

Expiration and Renewal of Insurance Policies:

If any policies will expire during the term of the agreement, the campus representative responsible for reviewing insurance certificates must request proof of renewal 30 days prior to the expiration of the insurance policy. At that time, if

proof of renewal or replacement of coverage has not been received, the campus will send a letter to the Contractor stating that the Agency requires receipt of a new Certificate of Insurance before the existing coverage expires.

*In the event that insurance cannot be obtained from an insurance company authorized to write coverage in the State of New York the campus may consider the use of an excess line or non admitted carrier only if the following conditions are met.

- The insurance agent or broker has provided written evidence of no less than five requests for insurance quotes made to insurance carriers authorized to write coverage in the State of New York, and has provided copies of the written responses from those insurance carriers indicating those carriers are declining to offer coverage.
- The insurance agent or broker has provided an excess line insurance affidavit (Form - Exhibit A.10 of the Council of Contracting Agencies Insurance Procedure Manual).
- Campus Counsel has approved such documentation.

Notice of a potential claim:

When a campus learns of a potential lawsuit, whether by receipt of a communication or pleading from a private attorney or by a communication from the Office of the Attorney General, it should immediately identify any applicable insurance and notify all applicable insurance carrier(s) of the potential lawsuit. This notification needs to be done even if the accident or incident was previously reported to the same carrier or carriers.

In addition, upon receipt of a Notice of Intention, Claim, Summons with Notice, or Complaint or letter threatening litigation, the campus must notify Albany Claims Bureau or the New York City Claims Bureau of the Office of the Attorney General, depending where the incident occurred. Provide proof of insurance coverage and notification to the applicable insurance company(s).

Liability insurance policies typically have two notification provisions. The first is notification of an incident, i.e., the insurance company requires that it be notified of an accident or incident at the time of or shortly after it occurs. The second notification is that of a potential or existing lawsuit. Both notification provisions require the insurance company to be notified as soon as "reasonably practical" or as set forth in the policy. Campuses should establish procedures for identifying any applicable insurance and providing written notice to all applicable insurance carriers of situations causing potential claims. Failure to notify the insurance company under one or both of these required notification provisions allows the insurance company to argue denial of coverage. Campuses should also, in consultation with campus counsel, establish a process for preserving evidence.

Reproduction of Contract Documents for bidding/construction purposes shall be the responsibility of the Consultant, if requested by the University, and shall be reimbursed by the University for the actual cost plus 10 percent.

SECTION I - CLAIMS

In the event any claim is made or any action brought in any way relating to the design or construction of the Project, the Consultant, without additional compensation therefor, will diligently render to the University any and all architectural and engineering assistance which the University may require of the Consultant, including, but not limited to, the making of analyses and reports. Notwithstanding the foregoing, the Consultant shall not be required by the University, without extra compensation therefor, to prepare mock-ups, make tests or testify at a trial or pre-trial proceeding; provided, however, that the Consultant shall furnish such services at its own cost and expense where it is established by a judicial decree or finding that the aforesaid claim or action has arisen from the negligence of the Consultant or the failure of the Consultant to properly and fully perform its obligations and responsibilities under this Agreement.

SECTION J - CHANGES AND/OR REVISIONS

At any time during the term of this Agreement, the Consultant, upon request of the University, shall change and/or revise any and all drawings and specifications of or for the Project.

SECTION K - BUDGETS

The University shall establish a Program Budget based on the amount that the University would be willing to spend for the Project at the time the construction contract or contracts are scheduled to be bid. The estimated cost of construction of the Consultant's design of the Project shall at all times be within the applicable Program Budget unless revised in writing by the University. In the event that such estimated cost is at any time in excess of the University's Program Budget, the Consultant, to the extent necessary in the University's judgment to bring the cost of the Project within said Budget, shall revise, at its own cost and expense, subject to the acceptance and approval by the University, all or any part of the drawings and specifications of the Project that the University may deem advisable. Unless otherwise directed by the University, the cost analysis and all cost estimates referred to in subsections (1)f, (2)b, (3)f, (4)c and (4)e of Section B of Article I hereof shall be prepared by a cost analyst approved by the University.

SECTION L - SUPERVISION AND DIRECTION

The services to be performed by the Consultant hereunder shall at all times be subject to the general supervision and direction of the University. The University shall determine every question of fact which may arise in relation to the interpretation of this Agreement and performance by the parties hereto of their respective obligations and responsibilities hereunder and the decision of the University thereon shall be final, conclusive and binding upon the Consultant unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary or so grossly erroneous as to necessarily imply bad faith.

The University reserves the right to have the State University Construction Fund (Fund) act on its behalf at any time or during any phase of the project authorized by this Agreement. Such designation of the Fund to act on

behalf of the University shall be in writing addressed to the Consultant and signed by the University.

Article III PAYMENT FOR SERVICES

SECTION A - BASIC COMPENSATION

1. For the purposes of this Agreement, the term "Total Fee" shall mean the total compensation payable to the Consultant under the provisions of subdivisions (1), (2), (3) and (4) of this Section. The Total Fee shall be a negotiated lump sum and shall include any and all costs for subconsultants, telephone, postage, travel, meals, expressly provided in the Agreement, all of the services required to be provided by the Consultant hereunder shall be deemed to be covered by the Total Fee and the Consultant shall not be entitled to extra compensation or reimbursement of its expenses in providing the same.
2. Except as otherwise provided for herein, payment of the fee shall be divided into two parts. The first part shall correspond to the Design Phase of the work and shall equate to 80 percent of the Total Fee. The second part shall correspond to the Construction Administration Phase of the work and shall equate to 20 percent of the Total Fee.

The value of each of the design phases shall be computed as follows:

- a. Upon completion and acceptance by the University of the Program and Schematic Design Phase, a sum to 20 percent of the Total Fee.
 - b. Upon completion and acceptance by the University of the Design Manual Phase, a sum equal to 20 percent of the Total Fee.
 - c. Upon completion and acceptance by the University of the Construction Documents Phase, a sum equal to 40 percent of the Total Fee.
3. Notwithstanding the foregoing, in the event that the University, during one of the Phases of the Project, suspends all or any part of the Project, the Consultant, in lieu of the method hereinabove provided, shall be paid for its services during such Phases as follows: (1) for services performed by the Consultant prior to such suspension, a sum equal to the percentage of completion prior to the suspension; and (2) for services performed by the Consultant following the resumption of all or any part of the Project, a renegotiated sum determined by the Revised Program Budget for the work to be resumed, by the percentage of completion following the resumption of all or any part of the Project.

Substantive program changes made by the University shall, in no way, affect previous payments made to the Consultant.

4. Notwithstanding the provisions of subdivisions (1), (2) and (3) above, if the amount of the bid of the lowest qualified, responsible and reliable contractor does not exceed the University's Program Budget and if the bid is not accepted by the University within six (6) months after its approval of the final working drawings and final specifications, then, the Consultant, unless it and the University otherwise agree in writing, shall be paid only the fee earned under the Design Phase and it shall be deemed to have been released by the University from rendering any additional services hereunder.

SECTION B - TIME OF PAYMENT OF BASIC COMPENSATION

During the Program and Schematic Design Phase, the Design Manual Phase, the Construction Documents Phase, and the Construction Phase of the Project the University shall make monthly installment payments to the Consultant. The amount of the monthly installment payments shall be in proportion to the amount of services rendered by the Consultant as determined by the University on its receipt of reports from the Consultant as to the progress of the services to be furnished in the respective phases.

SECTION C - REIMBURSABLE EXPENSES

Except as otherwise provided for in Section H of Article II hereof, all reproductions of plans, specifications, reports and other data and documents requested by and furnished to or on behalf of the University and all required application fees in connection with the Project shall be paid for by the University on the basis of the Consultant's actual expenditure therefor; provided, however, that the Consultant shall not be entitled to any reimbursement for the cost of typing or drafting of the same.

SECTION D - EXTRA COMPENSATION

1. Final models, photographs and other architectural renderings, as contrasted to study or preliminary models, photographs or other architectural renderings, will be paid for either on a lump-sum basis agreed to in writing by the parties hereto or on the basis of the Consultant's direct labor cost plus a sum equal to 150 percent thereof; the manner of payment to be determined by the University prior to the completion of performance of such services.
2. The furnishing of a Site Representative at the frequency and duration directed by the University. Payment for this service shall be on the basis of the Consultant's direct labor costs plus 35 percent, inclusive of all benefits and overhead. The individual and the hourly rate shall be approved by the University.
3. Special technical, engineering and/or consultation services will be paid for either on a lump-sum basis agreed to in writing by the parties hereto or on the basis of the Consultant's direct labor cost plus a sum equal to 150 percent thereof; the manner of payment to be determined by the University prior to the completion of performance of such services.
4. Testing laboratory services, topographic, utility, traffic volume, air/water quality and property surveys, test borings, construction progress photos, and, in case of the rehabilitation of an existing building, determining the location, measurement and other essential data of existing architectural, structural, mechanical, electrical and utility features, the details of which, in the judgment of the University, are grossly deficient from a review of existing information and drawings and/or a physical inspection, shall be paid for either on a lump-sum basis agreed to in writing by the parties hereto or on the basis of the Consultant's direct labor cost plus a sum equal to 150 percent services.
5. Except for changes and/or revisions prepared by the Consultant pursuant to Section B (4) c of Article I hereof, all changes and/or revisions to drawings or specifications, resulting from a significant program change of the University prior to the award of a construction contract shall be paid for either on a lump-sum basis agreed to in writing by the parties hereto or on the basis of the Consultant's direct labor cost plus a sum equal to 150 percent thereof; the manner of payment to be determined by the University prior to the completion of performance of such services. Notwithstanding any of the other provisions hereof, whenever any program change results in an increase or decrease in the estimated cost of the Project, the Consultant's Basic Design Fee for services rendered prior to said change shall be based on the last approved Program Budget and the Consultant's Basic Design Fee for all services rendered after such change shall be based on the approved Revised Program Budget for the phase submission after the change was made.
6. All services rendered by the Consultant in connection with any work item, included in a change order to a construction contract, which results from either: (a) a program change of the University, or (b) conditions which, in the judgment of the University, could not have been reasonably anticipated or foreseen by the Consultant at the time bids for construction of the Project were received, will be paid for by the University on the basis of the approved value of said item multiplied by 5 percent. All services rendered by the Consultant in connection with all other extra work items and all deleted work items, included in a change order to a construction contract, shall be deemed to be covered by the Total Fee.
7. Notwithstanding any of the other provisions of this Section, the University will reimburse the Consultant for such field office expenses, other than salaries and fringe benefits, required or approved in writing by the University which, as a result of the nature of the Project, are, in the judgment of the University, substantially in excess of those field office expenses normally incurred by a Consultant in furnishing field administration of a construction contract and inspection of construction work.

8. Additive and deductive alternates, in which changes in design are involved, as contrasted to a material or equipment substitution or addition which, in the judgment of the University, does not involve design changes, will be paid for either on the basis of the Consultant's direct labor cost plus a sum equal to 150 percent thereof or on the basis of the amount the Construction Documents Payment would have been increased had the value of such alternates been added to the amount of the approved Pre-Bid Cost Estimate; the manner of payment to be determined by the University within sixty (60) days after the award of the construction contract. For the purposes of the preceding sentence, deductive alternates shall be added to, rather than subtracted from, the Pre-Bid Cost Estimate and the value of all alternates shall be deemed to be an amount equal to the bid quoted for the alternates by the lowest bidder or, in the event that the lowest bidder does not submit a bid for such alternates, an average of all bids submitted therefor. Notwithstanding the foregoing, unless otherwise agreed to in writing by the University, the Consultant shall not be entitled to reimbursement of costs or any additional compensation in connection with any alternates for any construction contract or part thereof which is being rebid because all bids previously received by the University were in excess of the amount of the Program Budget of the University therefor and were rejected by the University.

Notwithstanding the foregoing, all services rendered by the Consultant in connection with alternates that involve a material or equipment substitution, addition or deletion which, in the judgment of the University, does not involve design changes, and all services rendered by the Consultant in connection with any additive or deductive alternates prior to the Construction Document Phase shall be deemed covered by the Total Fee unless otherwise agreed to in writing by the University.

9. In the event the Consultant is caused to furnish services, not provided for herein and not previously performed, as a result of the University declaring a contractor in default, damage to the Project by fire or other casualty, or a delay, through no fault or omission of the Consultant, in completion of construction of more than one (1) year after the specified completion date in a construction contract, the University shall pay the Consultant for such services, but, in the case of delayed construction completion, for only those services performed after said one (1) year period, on the basis of the Consultant's direct labor cost plus a sum equal to 150 percent thereof; provided, however, that the Consultant shall not be entitled to extra compensation for monitoring and inspecting either punch list, work or guarantee work items except monitoring and inspection service performed by the Consultant after the expiration of eighteen (18) months from the commencement of the one (1) year general guarantee period.
10. Notwithstanding the foregoing, the Consultant shall not be entitled to extra compensation under any of the preceding subdivisions of this Section unless the services to be provided by the Consultant hereunder have been requested and approved in writing by the University.

SECTION E - PAYMENT OF REIMBURSABLE EXPENSES

1. The reimbursable expenses and extra compensation provided by the above Sections C and D of this Article shall in each case become due and payable by the University within thirty (30) days after its approval of an invoice to be submitted by the Consultant describing the respective items and services furnished and/or performed and the computation of the cost thereof.
2. The term "direct labor cost" as used in this Agreement refers only to labor furnished by the Consultant. Such cost shall be determined by multiplying the amount of time directly and exclusively devoted to the applicable services by non-technical assistants to the Site Representative and technical personnel of the Consultant by the respective charges for such personnel's time; provided, however, that no charge shall be included for time of such personnel if they are not paid for the same. Charges for employees' time will be computed on the basis of their regular rates of gross pay, exclusive of any premiums paid for overtime, except where the University authorizes and agrees in writing to pay for such overtime, which rates shall be filed with and approved by the University. Charges for time of the Consultant's officers or members of the firm will be computed on the basis of a rate of fifty dollars (\$50) per hour. Except as otherwise specifically provided herein, no charges shall be included for time of non-technical personnel or the cost of benefits, required by law or otherwise, to non-technical or technical personnel.

When services for which the Consultant would be entitled to extra compensation under Section D (1) through (9) of Article III hereof are furnished, upon request and approval in writing by the University, by a person, firm

or corporation other than the Consultant, the University, in lieu of the payments hereinabove provided, which would have been made had such services been furnished by the Consultant, will only pay the Consultant for such services on the basis of the Consultant's actual expenditure therefor plus a sum equal to 10 percent thereof; provided, however, that the Consultant shall not be entitled to said 10 percent override when, in connection with or related to the services furnished by said other person, firm or corporation, it has been or will be compensated by the University for the direct labor costs of its own technical personnel.

3. Notwithstanding anything to the contrary hereinabove set forth, where labor and/or materials utilized by the Consultant in furnishing the services to be provided by it hereunder are furnished by a person, firm or corporation Consultant shall not be entitled to any further payments hereunder until it submits proof that such labor and/or materials have been paid for by it or until the University has determined that the Consultant with good cause has otherwise sufficiently provided for the payment and satisfaction of the same.
4. Whenever any payment to or fee of the Consultant is dependent in whole or in part on the Consultant's or its subconsultants' cost or costs, the Consultant shall maintain efficient and accurate cost and accounting records as to all such costs and the Consultant shall require its subconsultants to maintain similar records. The Consultant, at any time during the term of this Agreement or within six (6) years thereafter, shall make such records and requires its subconsultants to make their records available to the University or its authorized representatives for review and audit. In the event all or any part of such records are not maintained or made available to the University, any item not supported by reason of the unavailability of such records shall, at the election of the University, be disallowed and, if payment therefor has already been made, the Consultant, upon demand, shall refund to the University the amounts so disallowed. Payment to the Consultant and/or approval by the University of any invoice submitted by the Consultant shall in no way affect the Consultant's obligations hereunder or the right of the University to obtain a refund of any payment to or fee of the Consultant which was in excess of that to which it was lawfully entitled.
5. For purposes of participating in a survey, the Consultant agrees to maintain efficient and accurate cost and accounting records as to all costs it incurs in connection with the performance of services provided or required under Article I hereof, and the Consultant shall require its subconsultants to maintain similar records. The Consultant, at any time during the term of this Agreement or within six (6) years hereafter, shall make such records and require its consultants to make their records available to the University or its authorized representatives for review and audit.

SECTION F - SPECIAL COMPENSATION

For the special services, if any, listed in the scope of services described in the Request for Qualifications, which is attached hereto and made a part hereof, that the Consultant agrees to furnish and perform, the University shall pay the Consultant the fees listed and contained in the Request for Qualifications.

Upon completion and approval by the University of each of said services, the fee therefor shall become due and payable by the University within thirty (30) days after submission by the Consultant of an invoice describing the services furnished and performed and the computation of the cost thereof.

SECTION G - CREDIT ADJUSTMENT TO THE UNIVERSITY

The University shall receive a credit in connection with the contracts listed in the Request for Qualifications in the amount or percentage listed thereon. For each of such contracts the applicable credit, if any, shall be first applied, until extinguished in its entirety, against any fee, compensation or expense of the Consultant in connection with such contract for which payment is to be made by the University pursuant to any of the provisions of this Agreement.

Article IV OWNERSHIP OF DOCUMENTS

The plans, drawings, specifications, reports, renderings, models, and other documents to be prepared and furnished by the Consultant pursuant to this Agreement shall be the property of the University. The Consultant shall not publish or disseminate to third parties information pertaining to the Project, or any part or aspect thereof, without first obtaining written approval from the University for such publication or dissemination and of the format

and content thereof.

Notwithstanding the foregoing, in the event that the University uses all or a substantial portion of the final working drawings for the construction of another project, the University shall compensate the Consultant therefor in such amount as it deems fair and reasonable. In the event of such use, the University shall remove the Consultant's name and seal from the documents and the Consultant shall have no liability or responsibility for such use.

Article V SURVEYS, BORINGS AND TEST DATA

The University shall furnish the Consultant such topographic, utility and property surveys, borings and test pit data as it may have and the Consultant shall obtain such additional topographic, utility and property surveys, borings and test pit data as may be required to complete the final working drawings and final specifications for each of the construction contracts. Such additional surveys, borings and data, the obtainment of which is approved in writing by the University, shall be paid for by the University in accordance with the provisions of Section D (4) of Article III. The Consultant agrees that it will make no claim against the University by reason of such surveys, borings and data unless the same are found to be inaccurate and solely as a result thereof the Consultant, in the opinion of the University, is caused to revise and/or redesign all or any part of the Project, in which case the University will compensate the Consultant for such revision and/or redesign pursuant to the provisions of Section D (5) of Article III hereof.

Article VI TERMINATION OF AGREEMENT

SECTION A – PERSONAL SERVICES

It is understood between the parties that this Agreement is intended to secure the personal services of the Consultant or Consultants (if a partnership) because of its or their ability or reputation and that this Agreement shall not be assigned, sublet or transferred without the prior written consent of the University.

SECTION B – DEATH OR DISABILITY

In case of the death or disability of one or more but not all of the persons referred to as Consultant, the rights and duties of the Consultant shall, at the election of the University, devolve upon the survivor or survivors of them who shall be obligated to perform the services required under this agreement and the University shall make all payments due under this Agreement to the survivors.

SECTION C – TERMINATION

At any time during the effectiveness of this Agreement, the University shall have the right upon seven (7) calendar days' written notice to the Consultant to terminate this Agreement, for cause, convenience or in the event the State Finance Law sections 139-j and 139-k certifications are found to be false or incomplete or to postpone, delay, suspend or abandon all or any part of the Project. In the event of such termination, postponement, delay, suspension or abandonment, the Consultant shall deliver to the University all plans, drawings, specifications, reports and other data and records pertaining to the Project and the University shall pay to the Consultant all amounts due in accordance with Article III hereof; provided, however, that if the University, after commencement of the Consultant's performance of services hereunder, postpones, delays or suspends the Project and subsequently, after a lapse of time, directs the resumption of performance of services by the Consultant, the Consultant, if it, in the judgment of the University, is caused to do extra work, which it would not have otherwise had to do, as a result thereof, will be entitled to extra compensation for such extra work in accordance with the provisions of Section D (3) of Article III hereof. Except as expressly provided in the previous sentence, such termination, postponement, delay, suspension or abandonment shall not give rise to any cause of action or claim against the University for damages, extra remuneration or loss of anticipated profits. In the event such termination, postponement, delay, suspension or abandonment is caused because of the Consultant's failure to fulfill its obligations or responsibilities under this Agreement, the Consultant shall remain liable to the University for all damages suffered by it by reason of such failure, including, but not limited to, any excess costs incurred in

completing the Project by the use or employment of other Consultants or otherwise.

Article VII LIABILITY OF THE CONSULTANT

1. To the fullest extent permitted by law, in addition to any liability or obligations of the Consultant to the University that may exist under any other provisions of this Agreement or by statute or otherwise, the Consultant shall assume all risks of liability for its performance, and that of any of its officers, employees, suppliers, subconsultants, subcontractors or agents and shall be solely responsible and liable for all liabilities, losses, damages, costs or expenses, including attorney's fees, arising from any claim, action or proceeding relating to or in any way connected with the performance of this Agreement and covenants and agrees to defend if requested, indemnify and hold harmless the State of New York, State University of New York, the State University Construction Fund, its agents, officers and employees, from any and all liability, demands, claims, suits, causes of action and losses of whatever kind and nature, arising out of or in connection with its performance of any service or contract resulting from this Agreement, including negligence, active or passive or improper conduct of the Consultant, its officers, subconsultants, agents, suppliers, subcontractors or employees, errors or omissions of the Consultants, its subconsultants, suppliers, agents or employees, or the failure by the Consultant, its officers, subconsultants, agents, subcontractors or employees to perform any obligations or commitments to the State of New York, the State University of New York, the State University Construction Fund, its agents, officers, and employees, or third parties arising out of or resulting from this Agreement, the performance of the services, or the work.
2. To the fullest extent permitted by law, the Consultant shall also indemnify the State of New York, State University of New York, the State University Construction Fund, its agents, officers and employees for breach of contract not related to professional services.
3. The Consultant represents it and its subconsultants, subcontractors, agents, employees and officers shall possess the license, experience, knowledge and character necessary to qualify them individually for the particular duties they perform in connection with the Project. For the purpose of this Agreement, the terms "inspection" and/or "administration" shall not be interpreted as the Consultant's guarantee of any contractor's workmanship or that such contractors will not breach their construction contract.
4. Prior to the commencement of the work to be performed by the Consultant, the Consultant shall submit to the University, certificates of insurance showing evidence of compliance with all insurance requirements contained in the contract. Certificates of Insurance (with the exception of Workers' Compensation and Disability) must be provided on an ACORD 25 Certificate of Insurance, or an equivalent form, and shall reference the project, contract or agreement number. Certificates of Insurance shall disclose any deductible, self insured retention, aggregate limit or any exclusion to the policy that materially changes the coverage required by the contract; specify the additional insureds and named insureds as required therein; and be signed by an authorized representative of the insurance carrier or producer. Deductibles or self-insured retentions above \$250,000 are subject to approval by the University and additional security may be required. Only original documents will be accepted.
5. All insurance shall provide that the required coverage apply on a primary and not on an excess or contributing basis as to any other insurance that may be available to the University for any claim arising from the Consultant's work under this Agreement, or as a result of Consultant's activities. Any other insurance maintained by the University shall be in excess of and shall not contribute to the Consultant's insurance regardless of any "other insurance" clause contained in the University's own policy of insurance.
6. All insurance shall be maintained with insurance carriers authorized to do business in New York State and rated at least "A-" by A.M. Best Company. The Consultant shall cause all insurance to be in full force and effect as of the commencement date of this contract and to remain in full force and effect throughout the term of the contract and as further required by the contract. Not less than thirty days prior to the expiration date or renewal date, the Consultant shall supply the University with updated replacement certificates of insurance and endorsements. The Consultant shall advise the University of any letter or notification that cancels, materially changes, or non- renews the policy and Consultant shall require the insurance carrier(s) to copy the University on any letter or notification that cancels, materially changes, or non- renews the policy. If

required by the University, Consultant shall deliver to the University within forty-five (45) days of such request, a copy of any or all policies of insurance not previously provided, certified by the insurance carrier as true and complete.

7. Should the Consultant engage a subconsultant or subcontractor, the Consultant shall impose the insurance requirements in this document on those entities. Consultant shall keep the subconsultant certificates of insurance on file and produce them upon the demand of the University.
8. The Consultant shall obtain and maintain in full force and effect, the following insurance with limits not less than those described below and as required by the terms of the contract, or as required by law, whichever is greater. The Commercial General Liability policy, and any umbrella/excess policies used to meet the "Each occurrence" limits specified below, must be endorsed to be primary with respects to the coverage afforded the Additional Insureds.

- i. Commercial General Liability Insurance

Which coverage shall include, but not be limited to coverage for bodily injury, property damage, personal/advertising injury, premises liability, independent contractors, blanket contractual liability including tort liability of another assumed in contract, liability arising from all work and operations under this Agreement, defense and indemnification obligations, including those assumed under contract, cross liability coverage for additional insureds, products/completed operations for a term no less than three years commencing upon acceptance of the work, explosion, collapse, and underground hazards, contractor means and methods, liability resulting from Section 240 or Section 241 of the NYS Labor Law, and products/completed operations with a limit of not less than \$2,000,000 for each occurrence and general aggregate limit of not less than \$2,000,000.

- ii. Workers Compensation and Disability Benefits as required by New York State.

Comprehensive Business Automobile Liability Insurance with a limit of no less than (\$1,000,000) each accident covering liability arising out of the use of any motor vehicle in connection with the work, including owned, leased, hired, and non owned vehicles bearing, or, under the circumstances under which they are being used, required by the Motor Vehicle Laws of the State of New York to bear license plates. Such policy shall name the State of New York, State University of New York, and the State University Construction Fund as additional insureds. If the contract involves the removal of hazardous waste from the project site or otherwise transporting hazardous materials, pollution liability coverage for covered autos shall be provided by form CA 99 48 03 06 or CA 00 12 03 06 and the Motor Carrier Act Endorsement (MCS90) shall be attached.

- iv. Consultant shall procure and maintain during and for a period of three (3) years after the completion of the contract, Professional Liability insurance (Errors and Omissions) with a limit of {insert value}.

Such insurance shall apply, but not be limited to, any negligent act, error, or omission in the rendering or failing to render professional services required under the contract and if the project involves abatement, removal, repair, replacement, enclosure, encapsulation, and/or disposal of any hazardous material or substance, it may not exclude bodily injury, property damage, pollution or asbestos related claims, testing, monitoring, measuring, or laboratory analyses. If applicable, the Consultant shall provide coverage of the Consultant's negligent act, error, or omission in rendering or failing to render professional services required by this Contract arising out of specifications, installation, modification, abatement, replacement or approval of products, materials or processes containing pollutants, and the failure to advise of or detect the existence or the proportions of pollutants. The professional liability insurance may be issued on a claims-made policy form, in which case the Professional shall procure at its sole expense, extended Discovery Clause coverage of up to three (3) years after work is completed if coverage is cancelled or not renewed. Written proof of this extended reporting period must be provided to the

University prior to expiration or cancellation.

9. When the limits of the CGL, Auto, and/or Employers Liability policies procured are insufficient to meet the limits specified, the Consultant shall procure and maintain commercial Umbrella and/or Excess Liability policies with limits in excess of the primary, provided, however, that the total amount of insurance coverage is at least equal to the requirements set forth above. Such policies shall follow the same form as the primary.

10. Unless otherwise agreed to in writing by the University, policies must be endorsed to provide that there shall be no right of subrogation against the University. To the extent that any of the policies of insurance prohibit such a waiver of subrogation, Consultant shall secure the necessary permission to make this waiver.

11. Except as otherwise specifically provided herein or agreed in writing, policies must be written on an occurrence basis. The insurance policy(ies) shall name the State University Construction Fund, State University of New York, and State of New York, its officers, agents, and employees as additional insureds thereunder. The additional insured requirement does not apply to Workers' Compensation, Disability or Professional Liability coverage.

13. Neither the procurement nor the maintenance of such insurance shall in any way affect or limit the obligations, responsibilities or liabilities of the Consultant hereunder.

14. Nothing in this Article or in this Agreement shall create or give to third parties any claim or right of action against the Consultant or the University beyond such as may legally exist irrespective of this Article or this Agreement.

Article VIII AFFIRMATIVE ACTION

The Consultant agrees to comply with the requirements of Exhibit A-I, attached hereto and made a part hereof.

Pursuant to Article 15 of the Executive Law (the "Human Rights Law"), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, religion, national origin, military status, sexual orientation, age, disability, genetic disposition or carrier status, domestic violence victim status, or marital status, and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and will make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force during its legal engagement with SUNY. It shall also follow the requirements of the Human Rights Law with regard to non-discrimination based on prior criminal conviction and prior arrest.

Article X RELEASE OF THE UNIVERSITY

The acceptance by the Consultant or any person claiming under the Consultant of final payment made under this Agreement shall operate as and shall be a release of the University from all claims by and liability to the Consultant, its successors, legal representatives and assigns, for anything done or furnished under the provisions of this Agreement or in connection with the Project.

Article XI CONTRACT DOCUMENTS

The following documents are part of the Agreement and are attached hereto; (1) Exhibit A, (2) Exhibit A-1, (3) this Agreement, (4) the Request for Qualifications, (5) the Consultant's Proposal.

SECTION C - DELAYS OR OMISSIONS

No delay or omission by the University or the Consultant to exercise any right or remedy accruing to it under the terms of this Agreement or existing at law or in equity or by statute or otherwise shall be construed as a waiver of any of the provisions of this Agreement or of any such right or remedy and no such delay or omission shall impair any such right or remedy or be construed to be a waiver of or acquiescence in the act or acts or omission or omissions to act giving rise to the accruals of such right or remedy, nor shall it affect the University's or the Consultant's rights or remedies upon the occurrence of any subsequent event of the same or of a different nature.

- Consultant's Proposal

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State or State University of New York, whether a Contractor, licensor, licensee, lessor, lessee or any other party; the State University of New York shall hereinafter be referred to as "SUNY"):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. PROHIBITION AGAINST ASSIGNMENT. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of SUNY and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. SUNY retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with SUNY. The Contractor may, however, assign its right to receive payments without SUNY's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law and Section 355 of the Education Law, if this contract exceeds \$250,000, or, if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State, and the State shall bear no liability, until it has been approved by the State Comptroller and filed in his or her office, or the pertinent pre-audit review period has elapsed. However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State--approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of competitive bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to SUNY a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 *et seq.*) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by SUNY, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as SUNY and any other agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. SUNY shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate SUNY official, in writing, that said Records should not be disclosed; and (ii) said Records shall be sufficiently identified; and (iii) designation of said Records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, SUNY's or the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to SUNY by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to SUNY or the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of SUNY contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street,

Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its workforce on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at SUNY's request, Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a," "b," and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or sub-contractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. SUNY shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, SUNY shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Exhibit A, the terms of this Exhibit A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized) but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as

The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of State Finance Law §165 (Use of Tropical Hardwoods), which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in Section 165 of the State Finance Law. Any such use must meet with the approval of the State, otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

In accordance with State Finance Law Section 165(7), SUNY may determine that a bidder on a contract for the purchase of apparel or sports equipment is not a responsible bidder as defined in State Finance Law Section 163 based on (a) the labor standards applicable to the manufacture of the apparel or sports equipment, including employee compensation, working conditions, employee rights to form unions and the use of child labor; or (b) bidder's failure to provide information sufficient for SUNY to determine the labor conditions applicable to the manufacture of the apparel or sports equipment.

25. PROCUREMENT LOBBYING. To the extent this contract is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this contract the Contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the contract by providing written notification to the Contractor in accordance with the terms of the contract.
