

# Purchase Film BFA Internal Transfer Application

This form is only for applicants who are currently enrolled as Purchase College students.

Application Deadline February 1, 2025

Internal Candidates who wish to apply for transfer into the Film BFA program must complete this application form along with a 750-word autobiographical essay. Please note that regardless of your current grade level, you will begin as a first-year student in the program.

Once this document has been completed, please email it to ALL listed here: [Edwin Martinez](#), [Lawrence O'Neil](#) and [Lorraine Miller](#).

Your 750-word autobiographical essay should demonstrate your best intellectual and creative effort. It might include a description of yourself, what makes you unique, why you want to make films, and any experience you have had which supports or prompts your choice to apply to the Film BFA.

Besides this essay, you should submit links to sites hosting video or film work (like Vimeo or YouTube, etc.) and a separate link to an online drive or folder (like Google, etc.) containing at least one (1) and up to five (5) examples of creative writing and additional creative work (short stories, poems, screenplays, drawings, etc.).

Although not required, it is suggested that you also supply two (2) letters of recommendation; one artistic and one academic which you can include in your online drive or folder, clearly labeled.

This application must be completed and submitted by Midnight February 1st, 2025 in order to be considered. Applications submitted after this deadline or ones that do not contain all required links will not be reviewed. Internal candidates with applications completed by February 1, 2025 will be invited to interview with faculty members in the months after. Invited candidates should also be prepared to share their portfolio materials during their interview. Final Application Deadline is February 1, 2025.

Notification of final acceptance into the Film BFA may not come until August of 2025.

Please make sure that all links to your shared drive and videos are accessible and clearly marked as faculty may not be able to contact you for clarification.
