IFB: Campus Security Upgrades to Exterior & Interior Doors in Music & Visual Arts Buildings

Project SU-100824

Addendum #01 * February 11, 2025

To: Prospective Bidders

SUNY Purchase hereby issues this Addendum for the above referenced IFB, to provide the following clarifications:

Item 1: SUNY Purchase received questions at the pre-bid meeting and via email. In response to the questions, two pages of answers along with a requested Security Schedule in Excel format (named "Music and Visual Arts Security Schedule") comprise this addendum.

Please be sure to sign THIS ADDENDUM (as acknowledgment that your firm received it) and submit it with your bid package, which is due **Tuesday, February 25, 2025, at 3 p.m.**

Respectfully,

Sheli Taylor, Associate Director
Procurement and Accounts Payable

Addendum #01 - Bidders's Questions & Answers

- Q1. We are having a tough time fully understanding the delineation of scope on this project. Could you please populate the table below so we can make sure we are inviting the right subcontractors and that we have all of the scope covered? Anything left blank we will assume is by others.

	Furnish	Install
<i>Doors</i>		
<i>Frames</i>		
<i>Hardware (non-electronic)</i>		
<i>Hardware (electronic)</i>		
<i>Patching</i>		
<i>Painting</i>		
<i>Core Drilling</i>		
<i>Conduit</i>		
<i>LV Wiring</i>		
<i>HV Wiring</i>		
<i>Active infrastructure in IT room(s)</i>		
<i>Programming</i>		
<i>Testing/commissioning</i>		
<i>Fire alarm integration</i>		

- A1. Instead of a simple yes or no, here is what we are expecting to be included in your bids:
- New doors and frames are to be included in this scope of work.
 - Modifications of existing doors and frames as required to install new security devices are to be included in this scope of work.
 - New door hardware (non-electronic) is to be included in this scope of work.
 - New door hardware (electronic) is to be included in this scope of work (with the following exceptions:
 - Sargent IN-220 mortised locksets (to be furnish & installed by others).
 - Sargent IN-220 mortised exit devices (to be furnished & installed by others).
 - New wall-mounted HID card readers (to be furnished & installed by others).
 - Patching of surrounding surfaces due to installation of new work or modifications is included in this scope of work.
 - Painting of surrounding surfaces due to installation of new work or modifications is included in this scope of work.
 - Core Drilling to provide pathway between floors and walls is included in this scope of work.
 - X-Raying of existing floors to provide new pathway and verify no conflicts is included in this scope of work.
 - Low voltage electrical wiring is included in this scope of work.
 - Low voltage telecommunication wiring (i.e., Cat6 -type cabling) is to be furnish & installed by others.
 - High Voltage electrical wiring is included in this scope of work.
 - Active infrastructure in IT room(s), i.e., new riser conduits, additional power, etc., as outlined in the bid documents is included in this scope of work.

Addendum #01 - Bidders's Questions & Answers

- New equipment, cables, and devices in IT room(s) shall be furnish and installed by others.
- Programming of security devices shall be done by others.
- Testing and commissioning of as it relates to door hardware shall be included in this scope of work (i.e., testing of wire harnesses, magnetic locks, and other door hardware).
- Testing and commissioning of telecommunications cabling and Sargent IN-22 devices to be done by others.
- Fire alarm integration to be done by others.

Q2. Would it be possible to get the security device schedule for both buildings as an excel file?

A2. Yes. Excel file named "Music and Visual Arts Security Schedule" is attached.
