

Decal Placement

 Purchase College Association, Inc.

Parking decals must be placed inside
the driver's side rear window.

Nope.

Nuh uh.

Oh come on, really?

There it is. You're good to go.

Putting on your parking decal: easier than passing the parallel parking portion of a driver's license test.

| Resident Type | Decal Type | Permitted to Park In |
|---|-------------------|-------------------------------------|
| Commuter Student/Community Member | E2/W2 | East 2, West 2 |
