

Every Voice Counts

SUNY Sexual Violence Prevention (SVP) Survey

Coming in October

Look for an e-mail early in October from PSGA President Daniel Sanchez and Purchase College President Schwarz asking our students and employees to participate in the **Sexual Violence Prevention (SVP) Survey**.

Make your Voice Heard

The first step in our journey towards a safe and open culture is understanding our starting point. Make your voice heard and be part of the solution by taking our survey designed to help us understand your experiences as well as your awareness of campus resources.

Let's Work Together

This confidential survey is designed to collect information about incidents of sexual violence, frequency of reporting on sexual violence, as well as your knowledge about campus policies, procedures and resources. Purchase College administration will use the information from this state-wide survey to:

- **Strengthen programs, policies, and procedures to prevent ALL forms of sexual violence.**
- **Improve resources and support for victims of all types of sexual violence.**
- **Provide opportunities for students, faculty/staff, and administrators to work together to make our community the best it can be.**
